Changes to the school risk assessment before the end of July 2021

Change	Current situation	Risk and mitigation	When
Increasing the number of classes on the Orchard a playtimes in Key stage 1	Only classes from one bubble at a time	Increase mixing of children and staff: • Only classes from two bubbles • Outside • Ensure minimal mixing outside of classes • Washing hands before and after play • Sanitising play equipment at the end of playtime	April 19th
Introducing Music therapy and Hampshire Music into school again	Not currently provided	Transmission due to mixing outside of the class/school: • Individual risk assessment for music therapy – including two metre distance, wearing of visa and adapted activities • Teacher remains at front of class, two metres away from children and staff at all times • Only classes that can socially distance • Limit use of instruments	April 19th
Reintroducing Rainbow road sessions in the Rainbow Room led by Sarah S – we will need to adjust the timetables to make this possible	Not currently provided	Transmission due to mixing outside of the class group: • Only one or two children/session • Sarah S not providing hands on Therapy – provided by staff accompanying child from class	April 19th
Allowing independent therapists and social workers to visit if agreed in advance and visitor guidance is followed.	Not currently permitted	Transmission due to mixing from outside of school and moving between classes: • Visits and timetable agreed in advance • Limit the therapist movement between classes to those in the same bubble in the same day • Remain two metres away from both children and staff	April 19th
Showing prospective parents around outside of the school day	Not currently provided	Transmission due to mixing from outside school: • School is empty of children for show around • Avoiding classrooms if occupied by staff • Wearing face masks and maintaining two metre distance	April 19th

The option of attending meetings, such as Teacher's meeting, face to face, although a virtual option can still be provided	Currently only virtual with more than 4 adults/outside class team	Transmission due to mixing of staff from different classes: • Wait until mixing of households is permitted inside • Remaining two metres apart unless in the same class team – sufficient space e.g. hall • Well ventilated room • Option of virtual for those that prefer	17th May at earliest
Leadership team carrying out short class observations	Not currently taking place	Transmission due to mixing from adult outside of class: • Only one member of the LT at a time • Limit time in class to 20 minutes • Avoiding being within two metres of children and staff in class	Not until June
Face to face training	Not currently taking place	Mixing of staff beyond classes: • Only essential that cannot be virtual e.g swimming, PI • Remaining two metres apart from those outside of class • Wearing of masks • Numbers less than 20 • Well ventilated and spacious room for training	April 19th
Staff moving between bubbles	Not currently raking place	Mixing beyond classes • Only when really necessary – explore other options first • Limiting movement between classes to two in the same week • Only if staff are comfortable	April 19th
Offsite visits	Not currently taking place	Transmission from the community	Not this term
